

# Tough keypads for exposed public applications

- Manufactured to survive hard use and abuse under extreme environmental conditions
- Rugged, reliable and responsive data entry
- Weather, water and dust resistant (IP65)
- · All metal keytops
- 4,12 and 16 key formats

- Permanent, high contrast, engraved keytop graphics
- · Raised "home pip" on the "5" key
- Simple 'row and column' circuit matrix, terminated by a male, goldplated, square pin, 0.1" (2.54mm) pitch connector with locking ramp
- Can be fixed to a flat surface or under panel mounted for a flush, low profile installation

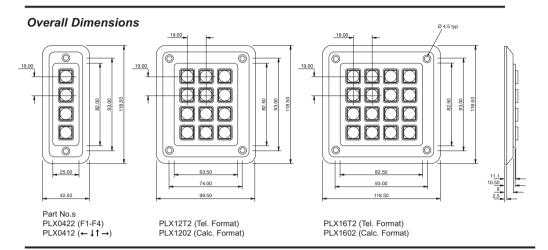

Ideal for use in applications where toughness and resistance to water and dust is required. PLX keypads are cased in a revolutionary super high-impact polymer, for resistance to abuse and attack. Chromed metal keytops are retained to provide keytop graphics with unsurpassable toughness and wear resistance.

Ø 4.5

# **Mounting & Connection Details**

#### Electrical

5ms (max)
100 ohms (max)
50 Mohms (min)
500V AC (max 60 secs.)
24V DC (max)
50mA (max)

## Mechanical

Operational Life	4 million cycles (min) per key
Keytop Travel	1.4mm nominal
Actuation Force	180gms nominal
Connector	0.1" pitch, gold plated square pin,
	male connector with locking ramp

# **Environmental**

Water / Dust Sealed	IP65 (when mounted to suitable enclosure)
Operational Temperature	-40°C to +100°C (Dry)
Impact	20 Joules via 50mm
	Ø steel impactor

## Material

Material	
Casing	Super High Impact Polymer
	(black)
Keytops	Chromed die-cast zinc
Keytop Legends	Engraved
Contact Circuit	Gold on Nickel plated FR4

#### **Accessories** Stock No. Notes PC Interface 4200-00[x] RS232 **Rear Casing** RC12020[x] Supplied complete with fixing hardware, Providing space for additional components sealing gaskets and fixing instructions. or circuitry (12 key formats only) Blank Keytops 1K0000[x] Supplied without keytop graphics. Suitable for engraving. **Privacy Shield** 1KFS020[x] Supplied complete with fixing hardware, Provides PIN / Entry Code security sealing gaskets and fixing instructions. 12 way only.

27.50 (A. 12.8 to Key)
