

Model Number

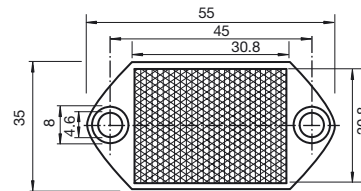

FE-RR15

Reflector, hexagonal 55 mm x 35 mm,
mounting holes

Features

- Rectangular, corner-cube reflector
- Temperature range: -4 °F to +140 °F
- Mounting holes for simple installation

Dimensions

Technical data

General specifications

Construction type circular

Ambient conditions

Ambient temperature -20 ... 60 °C (-4 ... 140 °F)

Mechanical specifications

Mounting mounting holes
